Notes

D-WEB Webbing Products

Our webbing represents the highest quality and competitively price webbing on the market today. With so many different types and styles of webbing available, DirecTex has established itself as the single source for all of your webbing needs.

ZIP-IT Zipper Chain & Slider Products

This high quality tape & coil is engineered for rugged outdoor use. Our sliders are black enamel with powder coat chip resistant finish. We currently stock nylon coilchain and sliders in sizes #3, #5, #8, & #10. Additional zipper products are available on request.

GRIP-IT Touch Fastener Products

The Grip-It team brings a combined experience of over 100 years in the hook and loop fastener business. Our expertise enables us to understand your application requirements and can provide a wide variety of hook and loop fasteners to meet your needs.

TITAN Buckles, Plastic Hardware & Custom Products

Titan buckles and plastic hardware deliver excellent performance! All of our products undergo extensive design and testing to assure product dependability. We offer a wide range of standard buckles for all types of industries.

It is the responsibility of the customer to determine the suitability of all DirecTex / Wirewright products for use in their application.
